

Holiday Breads

2018

A fund-raising event to support the (CHGS) Center for Holocaust and Genocide Studies- Muskegon

Our mission: diffuse hate and encourage diversity through commemoration and education and reflection using the Holocaust and other genocides as a lens through which to reflect, learn and think critically and apply lessons learned from the Holocaust and genocide and personal strength.

Holiday Breads has been the primary means to raise funds for the programs of the CHGS. The Center's roots go back to 1995 when a Holocaust Commemoration was first held in Muskegon at Samuel Lutheran Church. Since then we have brought scholars, survivors, teachers, workshop leaders to Muskegon to help educate and raise awareness of race and bigotry.

How do I order bread? There three ways -

1. You may go to our website and down load the order form and send it to the email address provided.
2. You may send your order by email using an order form secured through your faith community or requested by phone or email, or in an email – list the breads and amounts you want.
3. You may order by phone leaving your name and phone number and order.

You will receive a confirmation of your order. You will need to select a date for pick up on the order form. If you live closer to First Baptist Church on Quarterline Road you may call the church or indicate on the order form that you will pick it up at First Baptist rather than the regular pick up place at St. Luke's Lutheran Church at Norton Avenue and Roosevelt Road.

Where are the breads baked?

All breads are baked at the fully licensed kitchen at First Baptist Church who has graciously offered their facility for this event.

If you do not order you can buy the extra breads we always bake and have on hand on pick up days.
